Dear Principal,

Outstanding Academic Achievements of Your Graduate

It is my pleasure to congratulate you on the outstanding academic results achieved by your former student, LI GUANXI who graduated from your school in 2020, and completed his studies at Yuen Long Public Secondary School. He has attained remarkable achievements in the 2026 HKDSE Examination and has been offered a degree programme, Architecture and Civil Engineering (Majors: BEng Building Services Engineering / BEng Civil Engineering / BSc Architecture and Surveying), at City University of Hong Kong.

He has consistently demonstrated self-motivation, responsibility, and reliability throughout his studies at our school. I would like to take this opportunity to express my gratitude to you and your dedicated team of teachers for nurturing and helping him to build a strong foundation, which has enabled continued success in his academic journey.

I hope this exhilarating news will be shared among all members of your school community to inspire and uplift them. I look forward to our continued collaboration in providing quality education for our students.

Yours sincerely,

Ms. KONG Pik Chi
Principal
